Property Description

Beautifully built apartments at Compass – Cala D'Or, Mallorca Compass is a development of 2-bedroom apartments with 2 bathrooms, good sized terraces so that you can enjoy the unbeatable Mediterranean climate. The development is surrounded by spacious gardens with native flora and 2 communal pools where you can make the most of the pleasant climate that the island enjoys. The ground floor apartments have large terraces with a private porch and a garden for private use, all others will enjoy ample terraces and nice views over the countryside, landscaped communal gardens, pools and some with views to the harbour. These contemporary apartments are equipped to a high standard and every detail has been taken care of. The apartments are finished to the standard that you would expect from a company that has over 60 years of experience in building quality homes in Spain. Each apartment has an outdoor parking space. High-quality finishes The developer has utilised the area well, with the living room opening out onto the terrace and integrating the kitchen into the living room, achieving maximum natural light and the sensation of spaciousness. All built according to the new European standards for construction that provide maximum soundproofing and insulation.
