Property Description

Aqua Residential is the first Allonbay Village promotion. It is located in Cala El Torres, a unique location on the Costa Blanca, a beach of crystalline waters and surrounded by greenery at the foot of the beach. Situated between Villajoyosa and Benidorm, Allonbay Village is located in one of the most incredible enclaves of the Costa Blanca. You can enjoy the tranquility of living in a natural environment and a step away from all services because of its proximity to Benidorm and Villajoyosa. Aqua Residential Phase 1, is a private and closed residential complex composed of 71 homes with 1, 2, 3 and 4 bedrooms. A project analysed in detail and studied in depth to obtain the best views from all orientations. Dwellings with a careful design in different typologies: townhouses, duplexes, apartments and penthouses coexist in a unique complex, with large terraces facing the Mediterranean Sea. In Aqua Residential you will find high quality qualities, following the latest architectural trends. First quality materials throughout the house and equipment that will make your life more comfortable from the first day: complete installation of air conditioning, fully equipped kitchens, tiling of the first brands.
