Property Description

Palmeras Gold is located in San Pedro del Pinatar, and is composed of detached villas of 3 bedrooms and 2 bathrooms. Lo Pagán is a district from San Pedro del Pinatar, located in the north of Mar Menor, in Costa Cálida. Although traditionally it has been considered a touristic area, more and more people are moving here, attracted by the pleasant winter weather. The benefits of the mud baths, typical of the region, or the calm waters of the Mar Menor, have favored the growth of Lo Pagán, which currently has all kind of amenities. Among its beaches include La Puntica or Los Barros. In addition, it has an excellent location, just 5 minutes from the Comercial Center Dos Mares, and 10 from San Javier airport. These villas, with modern in design, has more than 150 meters of plot with swimming pool and jacuzzi, and a careful memory of qualities, which includes PVC windows, pre-installation of air through ducts, under floor heating in bathrooms, aerotermia, etc.
