Property Description

The Ácala Building is set at the heart of Tróia, right in front of the urban park of the central area. Besides its location, you can enjoy the exclusive areas of this building – the heated indoor pool, the sauna, the Turkish bath. All apartments have balconies and indoor parking space. Praia Sado – the Beach Touristic Apartments are the best option to enjoy the unique landscapes created by the Atlantic Ocean, the Arrábida Mountain and the Sado Estuary. With a privileged view over the sea, they are, due to their location and comfort, an excellent choice. Some of the ground floor Beach Tourist Apartments include private garden, while some of the top-floor apartments have balconies with jacuzzi.
