- TV
- White and coloured exterior LED lighting.

Property Description

Alcazaba Lagoon is the residential development of your dreams, stretching through spacious areas with exotic gardens. A development of buildings with a catching design of white lines and gentle outlines for its south-facing homes. The apartments sit in small residential groups, nestling among large green zones of palm trees, tropical plants and pools, which create a green Mediterranean ecosystem. A walkway skirts the edge of the lagoon, so you can enjoy the natural setting and views while you walk, run or enjoy other sports. The artificial beaches are made up of perfect sand and have sun deck areas and zones for beach sports, communal service facilities, changing rooms and showers. Alcazaba Lagoon homes offer a quality residential experience: airy living spaces which open onto balconies and terraces, places to enjoy the true style of Mediterranean life. All the apartments have separate individual storage rooms and underground garage; they have air conditioning and central heating, hot water by solar panels and satellite television. Quality finishes to the design of the interiors and fully fitted kitchens with first-class appliances. The second phase of the development offers 78 exclusive 2 and 3 bedroom apartments and penthouses with spectacular terraces. UNIQUE CODE: PI
