Property Description

Botanic is a unique residential development, created in accordance with the criteria of sustainability, ecology... and bioclimatic architecture. The buildings constructed on different ground levels optimise the views and provide an exceptional panorama of the surrounding area. The garden areas are a major part of the design, respecting the variety of species and indigenous trees in the area, with vertical gardens and green corridors that link each of the phases and envelop the residential buildings within a unique natural environment. The development comprises 92 bright and spacious 3 bedroom homes, with incredible large terraces, all south-facing. The 4 storey buildings are crowned by spacious penthouses with a modern design and spectacular solariums from which you can enjoy the views all day long from dawn to dusk. These homes have been designed with spacious rooms, exceeding the current market standards. The modern distribution integrates the kitchen with the living room and terrace. Private garage space and storage room, included in the price. UNIQUE CODE: TW
